

PREVENTING CHILD SEXUAL ABUSE IS A JOB FOR ADULTS

PROTECT THEIR ONLY CHILDHOOD

Darkness to Light's® **Stewards of Children** is a revolutionary sexual abuse prevention training program founded in response to staggering statistics:

1 in 4 girls and 1 in 6 boys
will be sexually abused before the age of 18.

HelpLine is committed to protecting our children by empowering adults to prevent, recognize and react responsibly to child sexual abuse through our **Stewards of Children** training. Designed for organizations that serve children and youth, concerned parents and community members, the training teaches that protecting children is an adult's job. For more information, visit us online at helplinedelmor.org or call 1.866.367.5444 to register for the instructor-led training in your area.
