Stewards of Children Adults Resolving Child Sexual Abuse

- A free training to empower adults in preventing child abuse.
- Ideal for parents, volunteers, groups or organizations that instruct, serve or interact with children.

Our Program

Darkness to Light's® Stewards of Children is a revolutionary sexual abuse prevention training program that educates adults to prevent, recognize, and react responsibly to child sexual abuse. The program believes and teaches that child safety is an adult's job.

Stewards of Children is designed for organizations that serve children and youth. The program is delivered by the Prevention team at HelpLine of Delaware and Morrow Counties, Inc.

Our Curriculum

Stewards of Children is a comprehensive program that incorporates all of the fundamental mechanics necessary in creating organizational policies and procedures that keep children safe. The curriculum features the "7 Steps to Protecting our Children," Darkness to Light's core, evidence-based educational tool for sexual abuse prevention.

The training is a 3-hour program that integrates the simple principles of choice, consciousness, and personal power to promote an understanding of the nature and impact of child sexual abuse. The curriculum is direct about holding each adult accountable, and generous in providing powerful, specific support for personal change. The video component integrates personal stories of sexual abuse survivors, sharing their experiences of trauma and healing with the perspectives of professionals working with various issues of sexual abuse.

Our Commitment

At HelpLine, we know that most people feel very strongly about protecting and nurturing children, but often don't know what steps to take, or how to make a difference in the life of a child. Our staff is trained to respond to that need, and to educate the community in the prevention of child sexual abuse through the **Stewards of Children** program; empowering and charging community adults with the prevention of child abuse.

For more information on available programs, or to schedule a **Stewards of Children** training at your organization or school, please contact:
